

**Saturday 13th and Sunday 14th March (10am-5pm)**

FREE with price of admission to the Centre  
Dundee Science Centre - Sensation, Greenmarket  
**Sensational Woman in Science, Technology, Engineering and Maths**

Meet real scientists and enjoy hands-on activities at Sensation. The Sensational women will be available for open discussions and questions from all visitors to the centre. This event is aimed at engaging young families with children of all ages. Sensation will be open to the general public as on any other working day.

**Wednesday 17th March (1.30-2.30pm) FREE**

University of St Andrews, School of Chemistry, Purdie Building (lecture theatre B)

**'My Good Lady, go home and sit still – a celebration of women in medicine'** – public lecture (sponsored by the Scottish Government) by Dr Mairi Scott, University of Dundee

**Thursday 18th March FREE**

**(12.30-1.30pm, lunch provided, 2pm close)**

BioDundee, The Innovation Portal, Dundee University Incubator, James Lindsay Place

**'Commercialising Science'** – lunchtime seminar with a panel of speakers

This event will look at the challenges facing organisations trying to commercialise science in today's environment. Whether you are developing new products or support services, this seminar will provide a platform to discuss and share your concerns with a panel of experts. **Registration for this event is essential - contact [info@biodundee.co.uk](mailto:info@biodundee.co.uk)**

**Saturday 20th and Sunday 21st March (10am-5pm)**

FREE with price of admission to the Centre

Dundee Science Centre - Sensation, Greenmarket

**Curiosity and Creativity in Science, Art & Writing**

Visitors to the centre will have the opportunity to take part in a 60-90 minute Science, Art and Writing (SAW) workshop, which will involve presentation of striking scientific images obtained from local scientists followed by participants expressing their thoughts surrounding the images through art and writing. The scientific images will be explained either by Dundee Science Centre staff or the local scientists that provided the images. Images will be on the themes of 'Earth' and 'Biodiversity'.

**Tuesday 23rd March FREE (11am-12pm)**

SCRI, Invergowrie, New Seminar Room

**Distinguished Women in Science Lecture** – public lecture by Professor Caroline Dean, John Innes Institute

Women in STEM 2010 gratefully acknowledges the support provided for this event by the University of Dundee College of Life Sciences Postdoc Association; University of Dundee College of Art, Science and Engineering; the Scottish Government; and RCUK.

Date	Event	Venue	Time	Free/Entry Charge
8-20 March	Exhibition 'Lifeforms' Mhairi Towler & Janice Aitken	SCRI Hughes Building	9am-6pm	FREE
6-20 March	Exhibition 'Ipseity' Sarah Garden	University of Dundee Main Library Atrium	See Library opening hours	FREE
6-21 March	Exhibition 'The Dry Valleys' Elaine Shemilt	DCA Centrespace, VRC	Wed-Sun 12-4pm	FREE
6-20 March	Women in Science Events	Abertay University The Hannah Maclure Centre	See full programme details.	FREE
6 March	Saturday Evening Lecture Series with the Dundee Women's Festival 'Tips about Icebergs: an arctic journey' Sara Wheeler	University of Dundee Dalhousie Building	6pm	FREE tickets are available from the University's Online Store

## Celebrating Women's Achievements in STEM

MARCH 2010

# Celebrating Women's Achievements in STEM

Welcome to  
**Women in STEM  
2010. This the  
second year that the  
universities of Dundee,  
Abertay & St Andrews with SCRI,**

**Dundee Science Centre - Sensation and  
(new this year) BioDundee, have organised a  
programme of events running from the 6-23  
March showcasing and celebrating Women's  
Achievements in Science, Technology,  
Engineering & Maths (STEM). There are a  
number of strands within the event providing  
something for everyone:**

- **Development Opportunities for Women Working in STEM**
- **Public Outreach**
- **Academic Seminars**
- **Links to Schools & Colleges**
- **Films and Family Events.**

**We hope you enjoy celebrating Women in  
STEM 2010 with us!**

## **Saturday 6th – Saturday 20th March**

(see [http://www.dundee.ac.uk/library/opening\\_hours.htm](http://www.dundee.ac.uk/library/opening_hours.htm)  
for opening hours) **FREE**

University of Dundee, Main Library Atrium

### **Exhibition - 'Ipseity'**

Exhibiting artist – Sarah Garden

## **Saturday 6th – Saturday 20th March FREE**

Women in Science Events

University of Abertay, The Hannah Maclure Centre, 1-3 Bell  
Street

Three exciting events – film screenings, Saturday Scio-rama  
and Light Workshop & Shadow Puppetry.

## **Film Screenings**

6/03/10 - 10:00am	Flubber (1998) (U) 93 mins
